WELCOME!

Gayle Vasile
DIRECTOR, CULTURAL & COMMUNITY SERVICES

As the weather cools down and kids head back to school, I am thrilled to announce the return of our fall programming. We've been hard at work all summer to ensure our facilities are ready for an exciting season ahead.

At Pelican Community Park, we've undertaken major upgrades in our gym, including new lights, wood flooring, a curtain divider, and scoreboards. Our parks have also seen significant improvements. Samson Oceanfront Park playground now has new turf surfacing on the playground, and we've replaced the canopies at various playgrounds to provide shade for children enjoying the outdoors.

This past summer, we've also unveiled our new Meditation Garden at Town Center Park. It's a serene and beautiful space designed for our adult residents to meditate and relax amidst the hustle and bustle of the city. I hope you're enjoying this tranquil addition to our community.

I'm also excited to share that we have set a new date for Winter Fest, which will take place this fall. We invite everyone to register for an event filled with enjoyment and delight. We've scheduled it earlier, on November 23, to ensure that you can fully embrace the busy holiday season after our festivities.

We have many exciting things planned, and I look forward to seeing you all at our parks and events.

Discover Serenity at the new **MEDITATION GARDEN** at Town Center Park

**ADULTS
ONLY**

In the bustling heart of our city lies a serene urban oasis exclusively for adults – the Meditation Garden at Town Center Park. This tranquil sanctuary offers a peaceful space for reflection, meditation, and appreciation of art, while providing residents with a much-needed retreat from the hustle and bustle of daily life.

A UNIQUE HAVEN FOR ADULTS

This new Meditation Garden is the only park within city limits dedicated solely to adults. While the city has 11 parks with playgrounds for families and children, this garden offers a peaceful, slow-paced space for adults to enjoy.

FEATURES OF THE GARDEN

- **ADA-Accessible Path:** The garden features an ADA-accessible path, allowing park-goers to stroll through and immerse themselves in the natural surroundings.
- **Comfortable seating:** Seating benches are strategically placed along the path and in central areas, offering visitors a place to sit, relax, and soak in the tranquility.
- **Art Installation:** A new art installation by artist Mike Szabo adds a unique and artistic touch to this tranquil environment.

MORE INFORMATION

This outdoor sanctuary is for adults only. If you have any questions about the garden, please contact the Cultural and Community Services Department at 305.792.1706 or via email at ccsd@sibfl.net. To report a park maintenance issue, download *My Sunny Isles Beach* mobile app.
