DIRECTOR, CULTURAL & COMMUNITY SERVICES

“ The Cultural and Community Services Department is proud to introduce the first issue of the City’s new recreational magazine — Live & Play. ”

Live & Play will be printed quarterly and is your one stop connection for everything you want to know about upcoming programs, events, and recreation amenities.

This year is especially exciting as we celebrate the City’s 25th Anniversary. Throughout the year, we are hosting several special anniversary events and activities for residents to enjoy. Stay tuned and stay connected with us to receive all upcoming event details.

This spring we also have a diverse assortment of programs and activities for youth, adults, and seniors. We are eager to finally transition to a more normal schedule of programs and events this season. Our program lineup consists of community favorites sprinkled with a healthy mix of new, exciting activities. With the opening of the City’s newest state-of-the-art facility, Gateway Center, adults and seniors now have a dedicated space for programs and leisure. There are so many great and diverse program options for all ages to choose from, you’ll have a hard time picking your favorite!

I invite you to look through the magazine, plan your spring season of programs and activities, and mark your calendars for an exciting lineup of events. You won’t want to miss out on all the opportunities we have planned!

SPRING 2022 REGISTRATION DATES:

Residents with a City-issued Sunny Isles Beach Resident ID Card and Pelican Community Park Members:

Wednesday, February 9

Non-Resident/Non-Member:

Wednesday, February 23

This year the City of Sunny Isles Beach is celebrating its 25th anniversary. What first started out as a small parcel of land located in unincorporated Miami-Dade, quickly blossomed into a family-friendly community known for its beautiful beaches, distinct architecture, and vibrant social life. Since the City's incorporation on June 16, 1997, we have added many quality services to be the most responsive municipal government and increase the quality of life for all who live, visit, or do business in the city. We are a young city, yet we still take pride in the fullness of our rich history.

While we are the same captivating attraction for travelers as we once were in the 1930s, our city has certainly grown over the years. With beautiful weather year-round, crystal-clear waters, pristine oceanfront properties, and a variety of local

ANNIVERSARY

eateries and entertainment, it's no wonder why over 23,000 people are proud to call Sunny Isles Beach their home. Our vibrant community has grown, not only in size but also in art, culture, architecture, and technology. Our small city boasts 11 parks, providing an array of fields, playgrounds, and amenities for residents and visitors to explore the outdoors and stay active. The Sunny Isles Beach K-8 School offers an outstanding education program; and state-of-the-art City facilities, like Pelican Community Park and our newest facility – Gateway Center, offer an assortment of recreational programs, camps, and events geared toward all ages and interests. The City is also proud of the many cutting-edge technologies and conveniences we offer. In recent years, we've added free Wi-Fi in public areas, electric vehicle charging stations and solar-powered charging benches, and SIB*shuttle* mobile app. All these accomplishments and more are a small portion of the reason why the City of Sunny Isles Beach is proud to celebrate our 25th birthday.

We hope you join us in celebrating the City's 25th anniversary all year long. Special edition, 2022 calendars are available for free at the Government Center, Pelican Community Park, and Gateway Center during normal business hours. Other special giveaways will be available throughout the year as we host a variety of fun events for the entire community.

Be on the lookout for the coming celebration details by visiting sibfl.net/anniversary.

WHAT'S NEW?

GATEWAY — CENTER —

ESCAPE

the ordinary and enjoy the comforts of Gateway Center, the City's newest and most innovative recreational and rental facility. When you walk in the entrance of Gateway Center, you'll be greeted by the contemporary and serene atmosphere, emblematic of our city's oceanfront location. Past the reception area and lobby, the facility guides you down Social Alley, a hallway with seating and game tables. This is a space for socialization, engagement, and leisure. As you stroll down Social Alley you'll see a fitness room – finished with oak wood floors and mirrored walls – a large multipurpose classroom, a full-fledged catering kitchen and adjacent small classroom, and the Roslyn Brezin Senior Lounge. At the end of Social Alley, you'll discover the ballroom, a spacious 3,600 square-foot event space. The proximity of the catering kitchen makes the ballroom perfect for weddings, banquets, business events, and other rental opportunities.

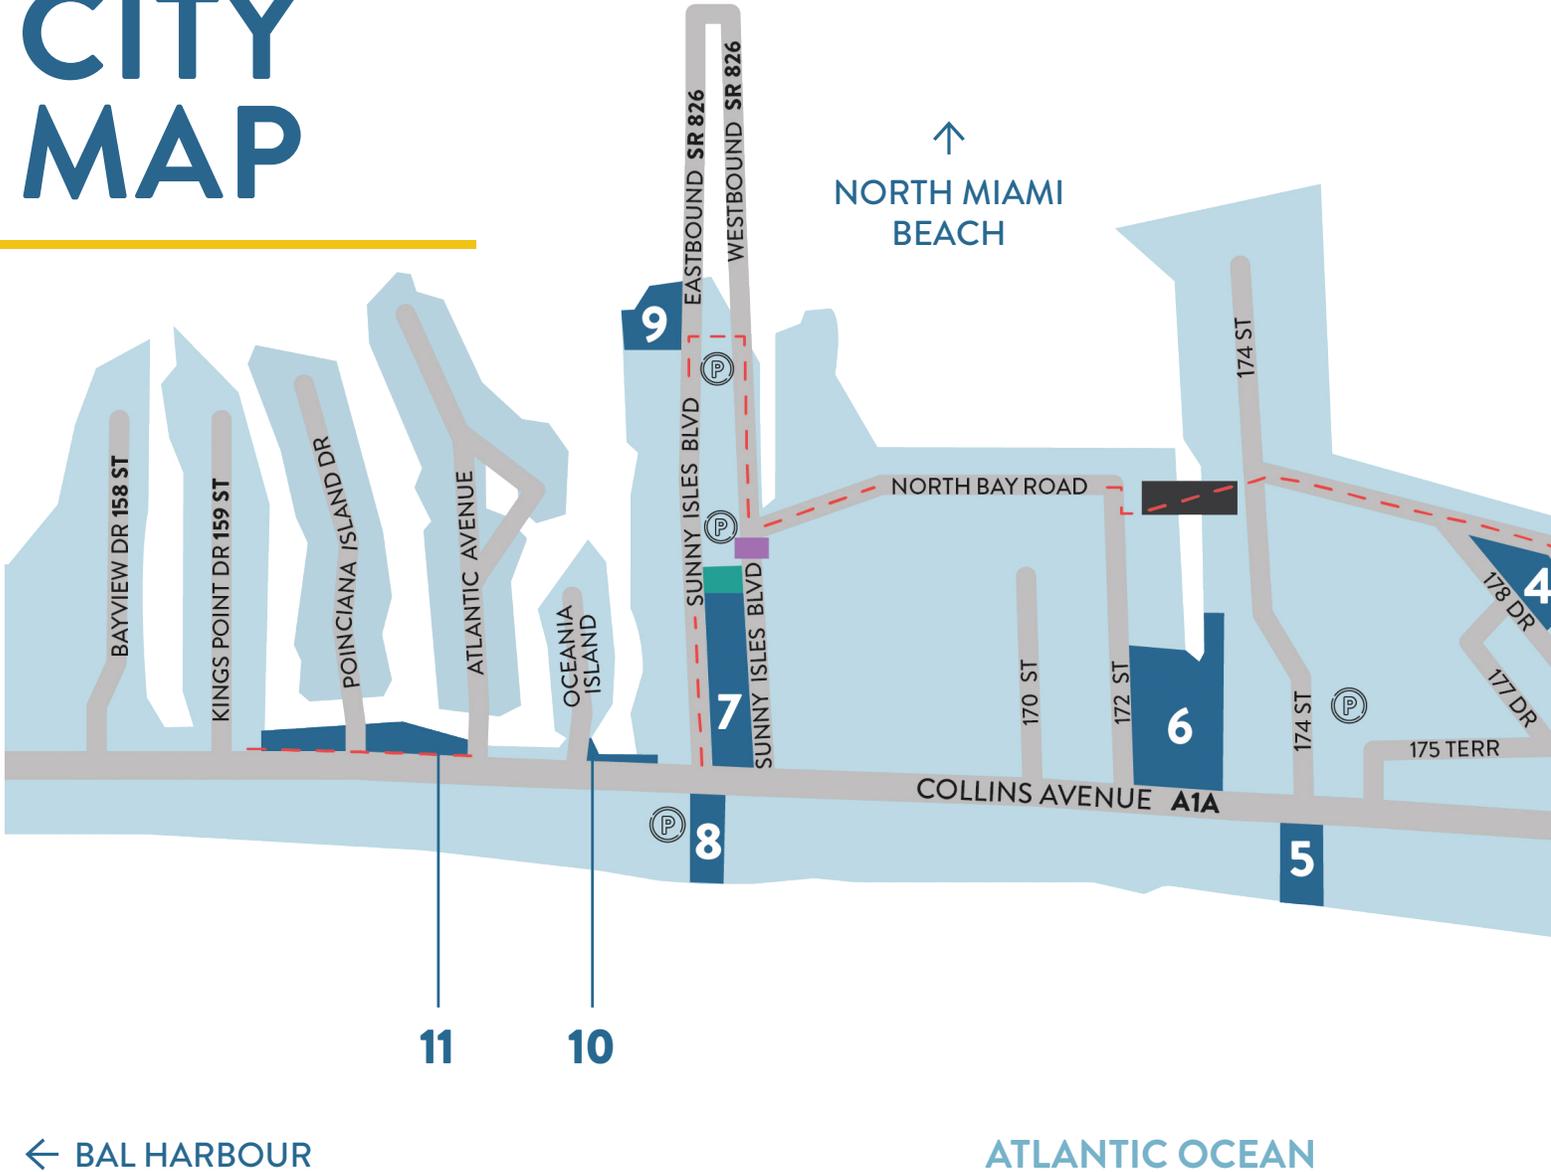

Gateway Center is truly a space where innovation and accessibility collide. A Hearing Loop system is a feature built into the floor of the ballroom and fitness room, and while invisible to the eye, this high-tech solution delivers sound from the AV system directly to hearing aids and cochlear implants, strengthening the sound of the presenter. A camera system designed to follow chefs cooking in the kitchen streams the video feed into the adjacent small classroom and has the capability to be played back at a later date. Gateway Center is unlike any other facility in the City and remains an icon of the accessibility we provide to all residents.

Residents with a valid City-issued Resident ID Card have an all-access pass to experience all Gateway Center has to offer. Experience any of one of our diverse programs, events, and activities that are curated for your enjoyment.
