HOLIDAYS IN THE ISLES

Celebrate the holiday season with us!

WELCOME!

Gayle Vasile
DIRECTOR, CULTURAL & COMMUNITY SERVICES

Winter marks the end of my first season as your Cultural and Community Services Director, and what a remarkable season it has been. I had the opportunity to meet so many new faces around our community between our memorable events and incredible programs at Pelican Community Park, Gateway Center, and our other parks.

I cannot believe that we are entering the cooler Florida season. Transitioning into the winter months brings a variety of new adventures for the Cultural and Community Services Department - with new programming for teens, holiday lights and decor that enhance the beauty of the city, and events for you and your neighbors to enjoy, there are so many opportunities to celebrate the holidays, get active, and visit our parks.

As we transition into the new year, we want to hear from you! Our team is working on a Parks and Recreation Master Plan. The goal is to develop a comprehensive park system plan that will define the direction, development, and delivery of the City's parks and recreation services over the next 10 years. And we need your input. Do not miss your opportunity to participate in a public meeting or a survey; there are a variety of ways that you can participate and share your feedback. Learn more about the Parks and Recreation Master Plan and how to get involved at OurSIBParksPlan.com. You can also reach out to us directly at SIBParksMasterPlan@sibfl.net or by calling 305.792.1794.

I am looking forward to introducing new programs, seeing you at the parks, and enjoying this winter season.

“ Our team is working on a Parks and Recreation Master Plan. The goal is to develop a comprehensive park system plan that will define the direction, development, and delivery of the City's parks and recreation services over the next 10 years. ”

teen SPACE

Programming

This winter we are expanding our teen programming like never before. From monthly roundtables to events and classes, we are working on providing a wide range of activities that teens will want to participate in.

teen talk

Teen Talk is a monthly roundtable where teens are invited to share their ideas and let us work on turning them into reality. We want to talk to you about everything teens are interested in: events, programs, podcasts, and even TikTok!

We meet at 6 PM the second Tuesday of each month at Pelican Community Park.

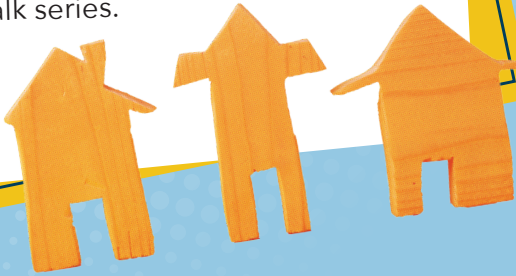

Learn more about upcoming teen programs at sibfl.net/teens.

the Place

The Place will be your teen's new favorite spot to chill with friends, take a class, make videos, and just hang out. Doors are opening soon, so stay tuned for more details.

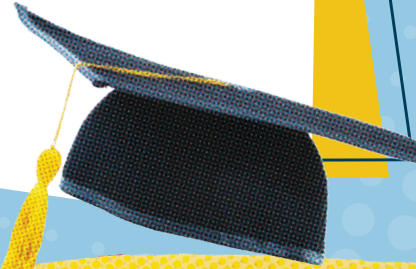

Want to have an impact on what we offer? We'll be discussing all things The Place at our monthly Teen Talk series.

College Scholarships

If you are a high school student who lives in Sunny Isles Beach, you're eligible to apply for our college scholarship program. We award scholarships to the best and brightest graduating senior applicants who demonstrate a commitment to their education and future, while also serving their community through volunteer work and extracurricular activities.

Apply early at
sibfl.net/scholarships.

Volunteer Opportunities

We all know our teens need volunteer hours, but why can't they have fun while also contributing to the community? We have several year-round volunteer opportunities with events, programs and athletics.

For more information and to apply to be a volunteer, visit
sibfl.net/volunteer.

Brighter than ever, this year will feature a 32-foot-tall holiday castle the whole family will love. The interactive castle will be the signature piece of our holiday décor throughout the city. Stationed at Gateway Park, the castle is located in a centralized and inclusive location for the entire community to access and celebrate the holiday spirit.

Our holiday décor expands throughout the entire city with decorations lighting up Samson Oceanfront Park and Heritage Park.
